Apologies- Harry Buckley

### **Agenda**

1. Chairman discussed with everyone that the website was not quite up to date just yet and that the league in conjunction with Harry Buckley would try and get everything sorted before the league started.
2. It had already been discussed with the club but Tottington would be going down to division 3 as 1 team has pulled out of the league.
3. Fixture list confirmations. League 1- No changes needed just name changes to certain clubs. League 2- as above only Tottington to be removed. League 3- Tottington to be added in place of David Lloyd but no changes to fixtures as they play of the same night.
4. A decision was made by the committee in a previous meeting not to send out score cards this year. Everyone should now print the score cards off yourself and send them to the Match secretary as he wants hard copies of these and not photographs of them.
5. A suggestion was made to try and get all of the handicap matches drawn at the beginning of the season. The committee will discuss this at the next meeting.
6. All teams registered their teams and payed their registration fees to the league treasurer.
